Saint Paul Public Schools Procedure

503.00

503.00 STUDENTS/ABSENCES AND EXCUSES

Children absent from school for illness or other reasons must present a written excuse from parent or guardian to the teacher before being readmitted to classes.

Students who are receiving dental treatment at school dental clinics, or receiving medical treatment from physicians working through the health service office may be excused for the necessary periods.

Students may be temporarily excused from physical education classes upon request of the parent or school nurse. Students may also be excused from PE classes for longer periods upon the presentation of a written statement from the family physician giving a definite diagnosis, the reason for excusal, and the length of time the student must stay out of classes.

Students will not be excused from classes for private music lessons, dancing lessons, or other such activities.
